### Restaurant Hosokawa

In 1992, masterchef Hiromichi Hosokawa decided to open his own restaurant in the center of Amsterdam. Now after celebrating 30 years of the restaurant, Hiromichi Hosokawa can only be considered a master of his craft. In his restaurant, his team puts together experience, passion and technique to bring to your table the most succulent dishes, all cut, prepared and served to perfection.

## 鉄板焼き

### Teppanyaki 'Chef's Table'

For over 30 years we cultivate an authentic Japanese dining experience known as Teppanyaki. With the use of carefully selected ingredients, our chefs open a world of Japanese cooking ritual. Teppanyaki ('teppan'- iron plate; 'yaki'- grilled) concept stands on three main pillars : exceptionally fresh ingredients, proper equipment and the chef mastery. Teppanyaki focuses on pure wholesome ingredients complimented by light seasoning. The quality of components - meat, fish and vegetables - needs to meet the highest standards. For example 'the Black Angus' Hosokawa use is from Australia and it's the most famous breed of cattle in the world. With his rich marbling and meat that's perfect in texture and flavour there is nothing that compares. The Japanese Wagyu is A5 quality and also not to forget the bluefin tuna, the most prestigious and luxurious fish in the world. To make sure that the dish is soft inside and crispy outside, the table is heated up to 250-300 degrees. A teppanyaki technique becomes an art in hands of the chef. An outstanding choreography of cutting, turning and flambé ingredients happen right in front of you, ending in a graceful set of elements ready to be tasted.

## 共卓

### Kyou-Taku 'Shared dining'

**Kyou-Taku** literally translate to *"Together around the table."*

In Asian culture eating together means more than just food and drinks. It is about friends and family sitting around a sharing their food but moreover their stories and experiences.

At Hosokawa, we partake in the **Kyou-Taku** - concept where we put all the dishes in the middle of the table so you can share your food but more importantly your stories.
